Dear friends affected by porphyria, we would like to cordially invite you to take the unique opportunity to meet other patients, physicians and scientists from around the world!

## The main objective of the Patient Day

is to enable individual patients to meet, network and exchange views and experiences. In addition, we would like to explore and discuss opportunities and advantages of a network of patient organisations, medical practitioners and scientists for the benefit of us sufferers.

## THE PROGRAM

**Saturday, 18<sup>th</sup> of May 2013, 8.30 a.m. to 4.30 p.m.**  
(subject to modifications):

- Acute Porphyrrias – Diagnosis and Treatment Options
